By participating in this sweepstakes, the winner agrees to allow the use of their image in promotion as seen fit by Bar Bingo, Inc. including, but not limited to; print, electronic and social media. Winning a prize is contingent upon being compliant with these official rules and fulfilling all other requirements set forth herein. To enter the drawing participants must log on to FreeN' Fun Bar BINGO's main Facebook page on Fridays between 12:30pm and 1:05pm Central Time, and "Like" the designated posting. The names of those that enter during the posted entry period are added to the "Fruit Machine" random name selector from classtools.net. Each drawing begins by selecting a name using the afore mentioned software. After the winning name is announced, the participant has 45 seconds to respond by commenting on Facebook. If the participant fails to respond within the allotted time, his/her name is taken out of the drawing and another name is drawn. Once a player responds, a prize is selected using "The Random Name Picker" wheel from classtools.net. The wheel is spun and the software chooses a prize. Prizes on the wheel vary from week to week, but include branded items from FreeN'Fun Bar BINGO, Yankee Candles or sponsored items or services. A list of prizes are announced before the name selection begins. The participant can also move on to a second round known as "The Drop Zone". This occurs during the prize selection spin when the prize wheel lands on the Drop Zone, space. When it is announced that a player has qualified for the Drop Zone, the participant has 45 seconds to respond by commenting on Facebook. If the participant fails to respond within the allotted time, his/her name is taken out of the drawing and another name is drawn. When a Drop Zone participant responds, they are instructed to choose a number between 1 and 6. The Drop Zone board has six numbers at the top and six slots at the bottom that hold a card with a prize listed upon it. A puck, or game piece is dropped from the numbered position chosen by the player. The player wins the prize listed on the card located in the space where the puck comes to rest. A list of these prizes are announced before the game begins. Winners are instructed to message FreeN'Fun Bar BINGO with the BINGO bar location that they would like to receive their prize, usually the following week.
